Second Grade Summer Reading

We are more than conquerors through him who loved us. Romans 8:37

Here is a suggested list of books for your child to read over the summer. If you like, you may choose to read aloud parts of a book with your child (instead of your child reading the whole book). Having your child read aloud to you, will also help increase their fluency. Enjoy!

Frog & Toad

Cam Jansen

Minnie & Moo

Henry and Mudge

♥Flat Stanley

♥Arthur Chapter book

♥Magic Tree House

♥A to Z Mysteries

♥Please note that these books with hearts next to them are at a higher reading level than expected for incoming second graders.

Many Blessings,

Your Second Grade Team
